We preserve land in order to enrich the quality of life
for present and future generations of Mattapoisett residents and visitors.

SCAVENGER HUNT

DUNSEITH GARDENS

Location: Corner of 38 North Street and Route 6. Enter Driveway and parking area off of Route 6.

Please be aware of ticks when visiting properties and check yourself after visit.

Walking the property of Dunseith Gardens allows one to experience the beauty that former owner, Henry B. Dunseith desired to be preserved. He donated this property to the Mattapoisett Land Trust in 1988. The park like setting has a variety of mature trees such as Cedar, Maple, Oak, White Pine, Holly, Weeping Beech, and Magnolia.

Listen to the sounds of the running stream or calling birds. Enjoy a rest on one of the many benches or stroll the story walk to enjoy reading a children's book.

Here are a few things to look for while you are at DUNSEITH GARDENS- check off as many as you can find! Take a picture of those items that you find interesting.

SEE...

___ Daffodils

___ Purple Vinca Flowers

___ Wild Chives

___ A Cedar tree with a birdhouse attached to its trunk

___ Two large white Quartz rocks stacked on each other within the stone wall that opens to the stream

___ Green moss along the bank of the stream

___ Find the Magnolia tree near Salty the Seahorse

___ Find the Weeping Beech tree near Salty the Seahorse

___ Which is taller, Salty the Seahorse, the Magnolia tree or Weeping Birch?

HEAR...

___ The sound of the John Nichols bell

___ The water flowing in the stream

___ The call of a bird

___ The sound of a Woodpecker

DO...

___ Find where the Dunseith house once stood (hint: walk up the two granite steps that lead to the front door)

___ Find the tree with holes created by a Woodpecker

___ Ring the bell at The Bell Buoy

___ Sit on the Denham bench and take a selfie with your family
